

29 October 2020

Excellency,

It is with great pleasure that I write this letter of support for Md Zahin Rohan Razeen. As the United Nation Secretary-General's Envoy on Youth, I, and a High-Level Selection Committee comprised of leaders from governments, civil-society, and the private sector, have recognized Mr. Razeen for his work as one of the 17 Young Leaders for the Sustainable Development Goals.

Mr. Zahin has been recognized for his exceptional leadership, innovation and ability to mobilize others through his work leveraging artificial intelligence for sustainable development through his multiple organizations, including Lingwing. Through Lingwing Mr. Zahin promotes innovation in language education helping over 200,000 users attain certification to become native speakers in their respective choice of language. I am impressed by his commitment to catalyse action for the Global Goals by helping people around the world gain knowledge and expanded opportunities through language learning.

Mr. Zahin is very passionate about contributing to positive change and accelerating action for the SDGs. He found in artificial intelligence the key to developing creative solutions to increase opportunities and bridge the gaps in language education for all and he has already had an impressive impact. As such, it is without reservation that I give Md Zahin Rohan Razeen my highest recommendation.

Yours sincerely,

Jayathma Wickramanayake
Secretary-General's Envoy on Youth

Her Excellency Ms. Dipu Moni
Minister of Education
People's Republic of Bangladesh
