Dear Mr. Razeen,

I have the pleasure to express my appreciation for your participation in the Learning and Knowledge Development Facility (LKDF) Forum that took place virtually from 6 to 8 October 2020.

Your contribution to the theme “Green Skills for a Sustainable Future” provided valuable insights that will inform the LKDF’s green industrial skills development plan. As we implement the new market system development approach, foster new partnerships, and scale up skills development projects in emerging economies, UNIDO will use the outcomes generated at the LKDF Forum 2020 to develop new green curricula, and monitor their impacts in alignment with the Sustainable Development Goals.

I look forward to engaging with you again in the future, both in the context of the LKDF programme and on issues related to industrial skills development. Mr. Riccardo Savigliano, Chief of Division of Agro-Industries and Skills Development (email: LKD-Facility@unido.org), is available for any further queries or information.

Yours sincerely,
